

PRODUCT INFORMATION

- APPLICATION TAPE (Masking tape)

We call the **Application Tape** as Easy Mask or **Masking Tape**.

It is an essential accessory for Printable heat transfer film to take off the printed images from its PET carrier backing film.

And it is easy to handle the printed images on to the garment before heat press process.

Also the tape can be useful to prevent color inks from evaporating from Printable heat transfer film which is exposed to air when it is kept for long time.

Application tape is transparent PET film which is 50mic.

It doesn't leave its tackiness print after heat press.
